You can become a member at any age. The insurance will take effect on the first day of the month following receipt of the completed and signed registration request.

The insurance contract is entered into for life, with the exception of situations of ex-officio or voluntary termination.

IS THERE A QUALIFYING PERIOD?

This period is usually 6 months, and 12 months if you want to become a member after your 65th birthday and for the reimbursement of orthodontic services, prostheses and implants.

However, there is no qualifying period in the following cases:

- In case of an accident;
- For a newborn registering as dependent of a parent who was already registered with DENTALIS before the date of birth, who has completed the entire qualifying period.
- For people who were covered by a similar insurance offered by a different insurer on the day before their membership with Dentalis starts and who paid all related premiums (the qualifying period is deducted from the membership period with the other insurer).

WHAT IS THE AMOUNT OF THE REIMBURSEMENT BY DENTALIS?

The total of the reimbursements for Dentalis increases every year during the first three insurance years.

The reimbursement for all preventive and curative care amounts to a maximum of 30 € for the first year of insurance, 60 € for the second year and 100 € from the third year.

The reimbursement for all services related to orthodontics, periodontology, prostheses and implants amounts to a maximum of 300 € for the first year of insurance, 600 € for the second year and 1.250 € from the third year.

For periodontology and orthodontics reimbursements are limited to 300 € per year for the 1st year of insurance and 600 € from the second year.

For prostheses and implants :

- reimbursements are limited to 300 € for the first year of insurance, 600 € from the second year and 850 € from the third year.
- The reimbursement of the same benefit for the same tooth is renewable only every 7 years.

WHAT IS THE SCOPE OF COVERAGE?

This coverage is valid in Belgium, but also in the European territories in the following countries: France, the Grand Duchy of Luxemburg, the Netherlands and Germany.

However, for these four countries, the reimbursement for preventive and curative care amounts to 12 € per treatment.
